Textbooks and instructional materials	
	A pupil, including an English learner, lacks standards-aligned textbooks or instructional materials or state- or district-adopted textbooks or other required instructional materials to use in class.
	A pupil does not have access to textbooks or instructional materials to use at home or after school. This does not require two sets of textbooks or instructional materials for each pupil.
	Textbooks or instructional materials are in poor or unusable condition, have missing pages or are unreadable due to damage.
	A pupil was provided photocopied sheets from only a portion of a textbook or instructional materials to address a shortage of textbooks or instructional materials.

A teacher vacancy is a position to which a single designated certificated employee has not been assigned at the beginning of the school year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of the semester for an entire semester.
